

Simplicity

by **Kerr™**

3 solutions to simplify your complete restorative workflow

SimpliShade™

This universal composite covers all 16 VITA® classical shades with just 3 shades, and is powered by Kerr's Adaptive Response Technology. No blocker required!

OptiBond™ Universal

One-bottle universal adhesive, providing excellent adhesion to a variety of substrates for direct and indirect applications - even indirect metal-based restorations when used with Maxcem Elite™.

Maxcem Elite™

This cement now features universal flexibility as a self-adhesive cement, or as an adhesive-resin cement when paired with OptiBond™ Universal on a preparation requiring more retention.
